### MORIARTY

From the Messenger

Born—To Mr. and Mrs. S. T. Bass, on Saturday night, a ten pound girl. Mother and baby are both doing fine.

The Farmers' Business Ass'n held an enthusiastic meeting last Saturday afternoon. The Creamery committee had a very encouraging report to make and feel confident they will have a man here within a short time to look over the proposition. The Barbecue and Celebration committee reported they had every assurance of a big crowd, big time, lots of fun and amusements for everyone. A number of Estancia people have informed them Estancia will send a large crowd here on the fourth.

The Farmers' Business Ass'n picnic was a grand success.

All the seats at the three long tables were soon filled and many of the men and boys had to stand, but the dear old ladies, younger ones and the girls were more than eager to pass over the good things too numerous to

mention—everything that goes to make up such a dinner and a little bit more. It was necessary to seat some at a second table and if anyone went home hungry it was not the fault of the good ladies.

The speakers were J. W. Davis, chairman of the Picnic committee H. J. Fincke, toastmaster, C. W. Fisk on "Impressions of a New Comer," Rev. J. W. Hendrix on "An Ancient Homesteader—Abraham," C. B. McCrary on "The Signs of the Times," G. B. Bone and Attorney F. F. Jennings of Estancia, the last two explaining the deep well proposition now before the settlers in the valley and what it means to the homesteader.

Attorney F. F. Jennings and G. B. Bone of Estancia attended the picnic and meeting of the F. B. A.
